

## V.E.R.N.E. project

“Vocational Education for European Routes Networks”

2<sup>nd</sup> Newsletter

### RESEARCH PHASE COMPLETED

*Project partners have completed the research phase of the V.E.R.N.E. project.*

*A detailed analysis of cultural routes in all partner countries was carried out followed by identification of trade sectors linked to the routes.*

*Next, the partners searched for skill gaps in the trade sectors.*

*Eventually, the consortium made an overview of educational offer addressed to the trade sectors.*

*The results of the research phase are published on [www.verne-project.blogspot.com](http://www.verne-project.blogspot.com).*

*The next step is to create training courses for the economic sectors linked to European Cultural Routes.*
