### VERNE PROJECT HAS MOVED ON

*The fourth partner meeting of the VERNE project took place on October 4 and 5, 2012 in Vienna, Austria. The partners took up this opportunity for sharing experiences and exchanging ideas about the project. During the meeting a comprehensive overview of the project contents was elaborated in order to obtain a work-plan for the next steps and to agree on individual tasks for partners in the next project phase.*

*The partners concentrated on the development of the VET course curriculum. The main aim was to decide on the target groups to be addressed and the main structure of the course with its contents. At the end of the workshop the partners presented the results in a plenary session, which were elaborated in groups representing all partner countries. Agreement was reached for the course structure.*

*The next partner meeting is scheduled to March 14 and 15, 2013 and will take place in Zlin. It will be hosted by the Czech partners from Tomas Bata University.*
